ParentPulse Surveys

We always want to hear from our parents and are required to have a good pulse on our community for accreditation. We're trying out something new and utilizing ParentPulse to send

out surveys and gather feedback for us. Your input matters. If you receive a text or an email from ParentPulse, that's legit and it's from us. Thank you for helping us keep a finger on the pulse (get it) of our community to hear how we can improve.

Walk-a-Thon Letters

Please send in your walk-a-thon envelopes with your signed letters stuffed into the envelopes to Kellie in the office. We want to get those in the mail in a timely manner(**by TOMORROW-Sept. 19th**). This year we also have the ability to give online. If you want to get the word out beyond letters, use the QR code or the link to send out information about how to give to our annual walk-a-thon. **The Walk-a-Thon is on Friday, September 26.**

*Reminder that the Grace league soccer tournament is Oct 4th at the Broadview Soccer Complex. We do not have the first game time as of yet as it will be based on what seed we get for the tournament. We do know that it could last pretty much all day probably until at least 5 pm if we make it to the championship game. Please let your coach know if you will not be attending so that he can plan accordingly.

**If you are a volleyball parent, please sign up to volunteer so that all spots are covered. Here's the sign-up link or it's also located in the description of each home volleyball game:
<https://signup.com/go/CVtKjzB>

*Basketball Practices will begin October 20th; times are still TBD as we need boys coaches. I have listed the sportsYou codes, but I still need to load all the games into the teams so feel free to join, but by next week you'll start to see the games in there. I have listed the grades for each team, but there will be a few players from that age group that will be playing up and we will let you know that. Some of you I have talked with already and others we will decide as practices start.

Basketball SportsYou Codes:

A Team Girls (7th & 8th graders): 7GYZUZ56
 B Team Girls (4-6th graders): HCU6R6CR
 B Team Boys (6 & 7th graders): Z8Q9LC3Y
 C Team Boys (4 & 5th graders): NAERLZP7

*8th grade boys will be co-oping/playing with Pilgrim this year. Please reach out if you have questions.

*Trinity sign up for basketball and track--if you haven't already filled out the google form about

your child playing sports this year, please fill out this sign up:
<https://forms.gle/MRC5uMCwiMWqsm9N6>

*We are looking for B boys and C boys basketball coaches. A few of you indicated you may be interested last year, so if you know for sure you'd like to coach, please let me know at ad@greenbaytrinity.org

*Future Blazers Basketball for boys and girls grades 2nd-8th grade--this is a separate league from Trinity sports (it is run through the high school NEWLHS) and consists of tournaments on the weekends. Both boys and girls will be playing in the BADL league which is local like DePere, Champion Center in Appleton, GB East etc. If your child is interested in playing in this league, sign ups are now open until Oct 1st:

Regarding the NEWLSA

Dear Parents and Families,

In recent weeks, you may read our notice that the NEWLSA has voted to start the process to dissolve. We want to assure you that while the association structure itself will no longer continue, this decision does not mean that our schools will stop working together.

Our schools have always shared a commitment to Christ-centered education, and that commitment remains unchanged. We want to stress that the decision was to start the process. The association remains committed to providing a positive transition. In the future, even without the formal association framework, our schools will continue to:

- Collaborate on curriculum and spiritual growth opportunities.
- Support one another with best practices.
- Work together to provide extracurricular opportunities including the feeder athletic programs, use of facilities and joint events for our students.
- Uphold the mission of preparing developing Christian leaders.

The decision to dissolve the association was made to simplify governance and strengthen each school's ability to serve its families effectively. It was not made because of division or lack of cooperation. In fact, our leadership is committed to ensuring that Trinity continues its strong collaboration with the high school well into the future.

We ask for your prayers and support as we move forward in this new chapter. We thank you for your partnership as we continue to nurture the academic, spiritual, and personal growth of every student entrusted to our care.

If you have questions or concerns, please reach out to your school's administration. Thank you for your trust and for being an important part of our school family.

In Christ,

Mr. Kerrick Sawyer and Mr. Phil Kirchner
