

GREEN BAY TRINITY PARENT CONNECT

Empowering parent and family connection through communication and Christian resources

WHAT IS PARENT CONNECT

Parent Connect is a place for parents and guardians to discover valuable health information and Christ-centered resources.

OUR GOALS ARE:

- Offer Christian resources to encourage and support families in their faith journey.
- Share Trinity health topics and offer parents resources to spark meaningful conversations and strengthen connections at home

OUR PRAYER FOR THIS PAGE

We pray the Parent Connect Resource Page becomes a trusted companion on your parenting journey—encouraging and equipping you as you build your home on the strong foundation of Jesus Christ.

WHERE TO FIND THE RESOURCE PAGE

Green Bay Trinity's School Website:
greenbaytrinity.org/resources

The Parent Connect Resource Page will be added to our school website under the Resource Tab.

Eagle Herald Newsletter

Each week, the Eagle Herald will be emailed out to parents and guardians. Check the "Parent Connect" section to locate links, tools, and additional information.

RemindApp

Teachers may use the RemindApp to notify class specific material available for families.

Empowering parent and family connection through communication and Christian resources

AXIS.ORG RESOURCE

Axis.org is a Christian non-profit organization focused on helping parents and other caring adults have meaningful conversations with teenagers about culture, faith, and discipleship. They provide free resources, including the Culture Translator newsletter, parent guides, and videos, to equip adults to understand and engage with the challenges and trends impacting young people today.

Axis aims to empower adults to guide teenagers towards a lifelong faith in Jesus by helping them navigate a complex and rapidly changing world. Their resources focus on topics such as social media, technology, cultural issues, identity, mental health, relationships, and Christianity. They believe that everyday conversations are key to discipling the next generation and keeping Jesus at the center of family life.

RAISING BOYS & GIRLS RESOURCE

RAISINGBOYSANDGIRLS.COM

Raising Boys and Girls is a faith-based parenting resource website and podcast. It offers practical tools and insights, led by counselors and authors Sissy Goff and David Thomas, to help parents, teachers, and caregivers raise emotionally and spiritually healthy children.

DEFEND YOUNG MINDS DEFENDYOUNGMINDS.COM

Defend Young Minds is a website and organization dedicated to helping parents and professionals protect children from the harmful effects of pornography. They provide resources and tools to empower kids to make healthy, informed choices online and reject pornography. The organization aims to raise "empowered, resilient, screen-smart kids."
